

**FOREIGNERS: I PLAN TO LEARN FINNISH  
WITHIN SIX MONTHS**

**FINNISH PEOPLE:**

**Go ahead, give it a go! It is not so difficult - we help you to do it in six weeks.**

**Learn the unique language that inspired elvish in Tolkien's writings!**

FORTHEM Digital Academy and the Centre for Multilingual Academic Communication at the University of Jyväskylä proudly present **the Survival Finnish (2 ECTS\*) elementary course with 30 places reserved for students from FORTHEM-universities.**

Teacher-led Moodle-course combining interactive and independent study elements (active participation required!) will be organised on **Tuesdays and Thursdays at 10.15-11.45 (UTC +2) from 13 April to 18 May 2021.**

Enroll/show your interest by filling in the form by 5 April 2021:

<https://link.webpolsurveys.com/S/86D63E2880174CEA>

Selected students will be contacted later regarding the next steps!

Course description: [SIS opiskelijan työkalut \(jyu.fi\)](#)

E-mail for more information: [movi@jyu.fi](mailto:movi@jyu.fi)

**\*PLEASE NOTE The course is worth 2 ECTS credits, and every FORTHEM university makes individual decisions about the recognition of these credits to their students. Check before-hand with your home university about the credit recognition if you wish to have the credits transferred to your degree!**
